Dear Charitable Organization,

The Grand Banks Social Club on the Hibernia Platform is a non profit organization. Throughout the year we put off weekly bingo and fundraisers for the personnel offshore. The proceeds from these activities give us the ability to donate funds each year to various charities.

For the past year, 2013, we are happy to give \$23,000.00 to 46 Charities and community organizations chosen by all the offshore personnel on the platform.

We wish you all the best in 2014 and hopefully a generous year with donations and fund raising for your organizations. Hopefully we will have the ability to contribute again following our 2014 year.

Best Regards

Gérard Aucoin, on behalf of the Grand Banks Social Club and all the personnel on the Hibernia Platform.
